

Mode Spring Operated with Autostop Roller Blind

Product Information

Mode Spring Operated Autostop Roller Blind is elegant in appearance, Verosol's Mode Autostop Roller Blind is the answer to a premium roller blind.

Perfect for tall, hard to reach windows due to its spring assisted lift. No chains and elegant in appearance, Mode Autostop function is easily activated. Incorporating a tuned counter-balancing spring, providing exceptional ease of operation.

Combining advanced auto-stop technology merged into a sleek modern design, this makes the Mode Autostop Roller Blind one of the most exclusive roller blinds in the market.
