

# 425 VeroCell

Non Transparent

Pleated Blinds

*Decorative light filtering fabric with good insulation*

## Features

- Part of the Verosol Core Collection - fabrics developed in Europe, to the highest quality standard
- Cellular design traps air within each cell, creating an effective insulation barrier
- Fabric is coloured on both sides providing a decorative appearance from both the inside and outside of your home
- No visible holes – ideal where privacy is required, such as bedrooms
- Greenguard Gold and Oeko-Tex certified
- Suitable for Pleated Blinds

## Care Instructions

For regular maintenance, use a soft feather duster or vacuum-clean with a soft brush in a low setting.
