

325 Outlook Mode Zero

Visual Blockout

Flame Retardant

External Roller Blinds

Visual blockout mesh providing complete privacy, giving ultimate protection from the sun

Features

- Reduces heat transmission
- Eliminates glare and provides UV protection
- ZERO % openness providing complete privacy and ultimate protection from the sun
- Treated with Microban antimicrobial technology to inhibit bacteria, mould & mildew growth

Care Instructions

Keep the fabric clean by brushing regularly both on the top & underside with a soft bristled brush and by hosing occasionally with clear, cold water. Allow the fabric to dry completely before it is rolled up. Do not use powered, high pressure washes to the clean fabric. Do not apply soaps, detergents, cleaning fluids or insecticides.
