

427 Verocell Majorca

Blockout

Style and efficiency combined in one

Features

- Majorca is a sophisticated non-woven fabric combining style and functionality in a wide palette of 12 modern colours
- This energy efficient 45mm cellular fabric is designed to absorb noise and control heat and light
- With excellent noise absorption and superior heat and light control, our 45mm Majorca cellular fabric collection is the perfect choice for energy-efficient living. Majorca fabric is also available in semi-transparent
- Suitable for 45mm Cellular Blinds

Care Instructions

For regular maintenance of your cellular blinds, use a soft feather duster or vacuum-clean with a soft brush dusting attachment in a low setting. Always exercise caution when spot cleaning. Use a clean lint-free cloth or sponge and dip it in warm water. Dry gently with a clean towel. Caution: Do not clean windows with any chemical products which make direct or indirect contact with the blind
