

440 Verocell Harbour

Semi Transparent

Privacy with a natural look and feel

Features

- With an irregular linear pattern, Harbour is available in a range of six soft natural colours and a white backing that provides a uniform appearance from the outside regardless of colour
- The cellular design creates an ideal indoor environment regulating temperature and improving acoustic quality, while saving energy costs at the same time
- Harbour is also available in blackout providing excellent insulation properties and optimises room temperature
- Suitable for 45mm Cellular Blinds

Care Instructions

For regular maintenance of your cellular blinds, use a soft feather duster or vacuum-clean with a soft brush dusting attachment in a low setting. Always exercise caution when spot cleaning. Use a clean lint-free cloth or sponge and dip it in warm water. Dry gently with a clean towel. Caution: Do not clean windows with any chemical products which make direct or indirect contact with the blind
