

## 442 Verocell Province

Blockout

45mm  
Cellular Blinds

### *Flame-retardant and excellent thermal qualities*

#### Features

- Province FR is characterized by its flame retardant and thermal qualities. Thanks to its intelligent cellular structure, the non-woven 45mm fabric helps to save energy throughout the year. Province FR is also available in semi-transparent fabric
- Blockout fabric utilises a silver coating on the inside of the cells for additional insulation
- Featuring a clean natural palette of 4 colours, bringing simplicity and character to transform any interior
- White base colour on the backing regardless of the colour providing a uniform look from the outside
- Suitable for 45mm Cellular Blinds

#### Care Instructions

For regular maintenance of your cellular blinds, use a soft feather duster or vacuum-clean with a soft brush dusting attachment in a low setting. Always exercise caution when spot cleaning. Use a clean lint-free cloth or sponge and dip it in warm water. Dry gently with a clean towel. Caution: Do not clean windows with any chemical products which make direct or indirect contact with the blind
