

## 425 Verocell Nakona

Non Transparent

*Timeless elegant design and saves energy*

### Features

- Nakona embodies sophistication with its non-transparent fabric, featuring a subtle satin finish and woven structure
- Also available in a luxurious blockout featuring an exclusive white trilaminate foil inside the cells
- Nakona high-performance fabric not only elevates your space but also contributes to energy-savings.
- Nakona offers the perfect combination of style and functionality in a palette of 10 contemporary colours
- Suitable for 25mm Cellular Blinds

### Care Instructions

For regular maintenance of your cellular blinds, use a soft feather duster or vacuum-clean with a soft brush dusting attachment in a low setting. Always exercise caution when spot cleaning. Use a clean lint-free cloth or sponge and dip it in warm water. Dry gently with a clean towel. Caution: Do not clean windows with any chemical products which make direct or indirect contact with the blind.
