

426 Verocell Brogue

Transparent

Stylish woven fabric with textile look and feel

Features

- Transparent, high-quality woven fabric Brogue has a coarse weaving texture that creates a refined linen look. The slub yarn in this fabric offers a distinctive visual effect.
- Brogue 25mm cellular fabric is available in a palette of six exquisite natural colours that suit any interior.
- Brogue transparent fabric has a white backing that provides a uniform appearance from the outside regardless of colour
- Suitable for 25mm Cellular Blinds

Care Instructions

For regular maintenance of your cellular blinds, use a soft feather duster or vacuum-clean with a soft brush dusting attachment in a low setting. Always exercise caution when spot cleaning. Use a clean lint-free cloth or sponge and dip it in warm water. Dry gently with a clean towel. Caution: Do not clean windows with any chemical products which make direct or indirect contact with the blind
