

## 428 Verocell Alta

Blockout

25mm  
Cellular Blinds

### *Exceptional performance and essential colours*

#### Features

- Alta is the perfect choice when maximum functionality is required
- This elegant 25mm cellular fabric has excellent insulation properties to help provide optimal room temperature and noise reduction. Featuring a stylish palette of 10 colours, Alta is also available in semi-transparent fabric
- The optical white backing not only ensures maximum heat and light reflection, but also provides a uniform look from the outside regardless of the colour
- Suitable for 25mm Cellular Blinds

#### Care Instructions

For regular maintenance of your cellular blinds, use a soft feather duster or vacuum-clean with a soft brush dusting attachment in a low setting. Always exercise caution when spot cleaning. Use a clean lint-free cloth or sponge and dip it in warm water. Dry gently with a clean towel. Caution: Do not clean windows with any chemical products which make direct or indirect contact with the blind
