

429 Verocell Appalachia

Blockout

25mm
Cellular Blinds

Modern and trendy with excellent insulating properties

Features

- Appalachia is a non-woven fabric that has excellent insulating properties to ensure heat stays outside during summer and inside during winter
- Appalachia 25mm blockout fabric is available in selection of 18 neutral and trendy colour tones
- Appalachia suits both modern and classic interiors, and is also available in semi-transparent
- Suitable for 25mm Cellular Blinds

Care Instructions

For regular maintenance of your cellular blinds, use a soft feather duster or vacuum-clean with a soft brush dusting attachment in a low setting. Always exercise caution when spot cleaning. Use a clean lint-free cloth or sponge and dip it in warm water. Dry gently with a clean towel. Caution: Do not clean windows with any chemical products which make direct or indirect contact with the blind
