

435 Verocell Metropolis

Semi Transparent

High quality, unique stylish non-woven voile appearance

Features

- Metropolis is a high quality unique non-woven fabric with a stylish voile appearance, combining performance and functionality in a broad palette of 11 modern colours
- The semi-transparent duo-tone fabric has a stylish colour on the front & a white backing that optimally reflects heat & light
- Metropolis fabric is also available in a blackout
- Suitable for 25mm Cellular Blinds

Care Instructions

For regular maintenance of your cellular blinds, use a soft feather duster or vacuum-clean with a soft brush dusting attachment in a low setting. Always exercise caution when spot cleaning. Use a clean lint-free cloth or sponge and dip it in warm water. Dry gently with a clean towel. Caution: Do not clean windows with any chemical products which make direct or indirect contact with the blind
