

## Standard 45mm Mono Control Cellular Blind

### Product Information

Verosol's **Standard 45mm Mono Control Cellular Blind** combines the soft appeal of a curtain with the versatility and simplicity of a blind. An ideal blind for large windows up to 3500mm wide, the 45mm Mono Control Cellular System is available using a continuous cord loop or stainless steel chain continuous loop.

Simple and elegant, the ideal solution for heat and light control, with a small stack height and short projection, giving you an uninterrupted view from your home or office window.

In addition to the standard mono control, 45mm cellular blinds are available in cordless and motorised operation
