Flame retardant blockout fabric for complete privacy

Features

- Inherently flame retardant fabric suitable for commercial applications
- Plain woven with a soft touch opaque flocked backing for a uniform look
- Designed for maximum room darkening and total privacy
- Suitable for Roller Blinds, Roman Blinds and Panel Glides

Care Instructions

For regular maintenance, use a soft feather duster or vacuum-clean with a soft brush in a low setting. If commercial spot cleaners are used, they must first be tested and allowed to dry on an inconspicuous area to ensure compatibility.
