

Ambience Heavy Duty Roller Blind

Product Information

Ambience Heavy Duty Roller Blind offers an extremely strong roller blind system, supplied standard with a 60mm diameter tube and high strength spring boosters. For those extra large blinds, an 80mm diameter tube can be used.

Suitable for both commercial and residential use.

Utilising the new generation hardware system, the Ambience Heavy Duty Roller Blind incorporates many advanced features, such as spring assist operation, easy installation and a range of accessories.

Verosol's Ambience Heavy Duty Roller Blind can be easily upgraded from chain to motorised at any time.
