

Ambience Fixed Roller Blind

Product Information

Verosol's Ambience Fixed (non-operable) Roller Blind System

offers offers a simple non-operable blind. The hardware system combines the flexibility of choice with Verosol's clip in head rail and range of standard roller blind base rails

The Ambience Fixed Roller Blind is suitable for both commercial and residential use, or wherever a fixed non-operable panel is required.

In addition to the Fixed Ssystem, Verosol offers a wide range of roller blinds and fabric options, from chain operation to motorised and fully automated roller blind systems.
