

Glydea™ ULTRA Motorised Curtain Track

Motorised Curtain Track System

Product Information

Verosol's **Glydea ULTRA Motorised Curtain Track** adds a layer of luxury and elegance to your home or office, with a stunning design that reflects your style. With our motorised curtain system you can control all your curtains easily via your smartphone or a remote control.

Our Glydea ULTRA motorised curtain track is developed to be quiet and reliable, guaranteeing you a peaceful home. Because your wellbeing is our priority, our curtains open & close discreetly and silently.

To protect and extend the life of your curtains, Verosol's Glydea ULTRA Motorised Curtain track offers soft start and stop, with operation that is extra gentle on your curtains so you can be sure they won't be damaged.

Glydea ULTRA Motorised curtains provide Touch Motion to open & close your curtain by simply pulling on the fabric, and offers the added security of manual override in case of power failure.
