

Mode Motorised Roman Blind

Product Information

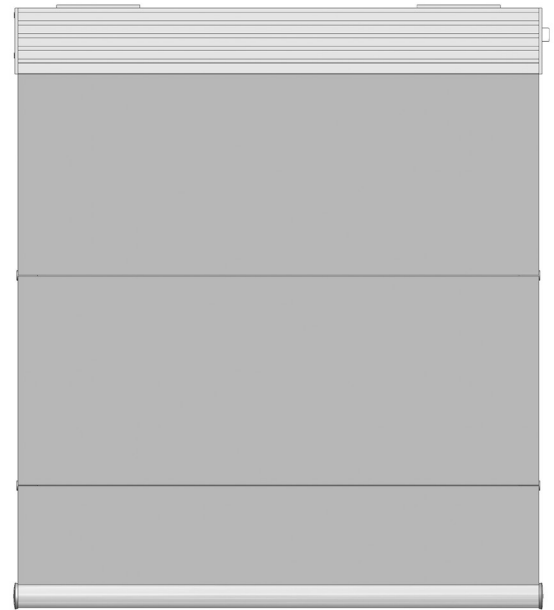

Mode Motorised Roman Blind features elegant fabric folds and a sleek contemporary appearance, the Mode Motorised Roman Blind delivers a sophisticated window furnishing solution for modern interiors.

Powered by your choice of 240V AC motor and engineered with Verosol's Macro Batten system, providing enhanced fabric presentation and long-term performance.

A perfect complementary product to Verosol's Mode Roller Blind, with coordinated aluminium finishes for a consistent architectural aesthetic throughout the space.
