

## 39 Martin Place, Sydney

### The Emporium Australasia

Type of Building:	Office Fitout
Project Location:	39 Martin Place, Sydney, New South Wales
Architect:	PTW
Facade Contractor:	The Emporium Australasia
Product Type:	Roller Blinds
Product System:	Ambience Roller Blind
Fabric:	812 Originals Semi Transparent
Colour:	Onyx Qty:

### Summary

Multi floor refurbishment of older builder to modernise the interior. Refurbishment criteria meant all internal window coverings were to be the same colour, having windows facing east, north and west meant heat and glare would be an issue.

### Benefits of Verosol

Solution: 812 semi transparent fabric has a shading coefficient of approximately 21% combined with the robust ambience roller blind system.
