

## De Nederlandse Bank, Amsterdam

### Verosol Netherlands

Type of Building:	Office Fitout
Project Location:	Westeinde, Amsterdam
Facade Contractor:	Verosol Netherlands
Product Type:	Roller Blinds
Product System:	
Fabric:	205 SilverScreen Semi Transparent
Colour:	Qty: 153

### Summary

General Information: Renovation and extension of existing building. Improvement of the total building, including solar shading. Light and heat control in combination with a good view through. Client had very good experience with Verosol pleated blinds which were manufactured about 15 years ago.

### Benefits of Verosol

After a trial with SilverScreen they switched from pleated blind to SilverScreen. This is because of the good combination of heat and light control with an excellent view to the outside world.
